WALKER ANNOUNCES SUCCESSFUL PIC RECRUITMENT EFFORT

Business Services Team Able To Fill Substantial Job Requirement

MILWAUKEE – County Executive Scott Walker announced today that The Northeast Comprehensive Job Center Business Services Team (NE CJC BST), a team developed by the Private Industry Council, in accordance with the Workforce Investment Act local plan guidelines, was able to help Capital Returns, a leading pharmaceutical returns company, hire almost 40 new workers.

The team was able to recruit and refer qualified candidates from the community and a number of those candidates are scheduled for orientation today. The positions offer a competitive wage of \$8.75 per hour, with an increase to \$9.00 per hour after 90 days.

“This is a great testament to what we can do to address unemployment in our community when we work as a team,” said Walker. “The employer, the employees, and the community all benefit from initiatives such as this.”

The Private Industry Council has previously assisted Capital Returns with their job recruitment needs.
